PENDER, NEBRASKA

JUNE 2ND & 3RD 2023

HOSTED By the WEBORG FAMILY

A LOOK BACK THROUGH 25 YEARS OF THE CATTLEMEN'S BALL

As you look around at friends and loved ones, it's hard to find someone who has not been impacted by cancer in some way. This cause unites us all and is at the core of the Cattlemen's Ball event. The Cattlemen's Ball of Nebraska is a charity whose mission is to raise money for cancer research. 90% of the Ball proceeds benefit the Fred & Pamela Buffett Cancer Center in Omaha, with 10% donated back to local communities' health and wellness programs.

Since the inaugural event in 1998, the Cattlemen's Ball has raised more than $17 million to fund cancer research.

The Cattlemen's Ball has become one of the Midwest's premier events, with up to 4,500 tickets sold annually. In honor of 25 years, let's reflect on the locations of the Ball.

NEED TO KNOW

PAYMENT OPTIONS

The Cattlemen's Ball will be using tokens for payment for all bars and concessions. Tokens may be purchased at the Token Grain Bins located near the Main Tent and the Main Entrance. Each token is worth $2.00. Please remember that tokens are non-refundable. Cash, checks, debit or credit cards will be accepted for purchases at the General Store, Art & Wine Tent and Token Grain Bins only. Payment options may vary with individual vendors.

AUCTIONS & BIDDING

Auction items are subject to sales tax. Cash, checks, and debit/credit cards will be accepted as forms of payment for your convenience. Your prompt payment following the auction is appreciated. All bids are final. No refunds or exchanges will be made.

SILENT AUCTION

Payment for Silent Auction items must be made through Qtego, which requires a credit card. The link to register your credit card is: **https://qtego.net/qlink/cattlemensballne**. More information is available on page 66.

FIRST AID

EMTs will be on site to provide care for any medical situations that may arise. The EMTs are located at the First Aid Tent near the General Store tent.

DISCLAIMER NOTICE

This disclaimer notice and release is valid and automatically considered as accepted by all guests by their presentation of a ticket and entrance to the grounds of the event.
By presenting a ticket for admission to and entering the grounds of The Cattlemen's Ball of Nebraska 2023 (the "Event"), guests attend at their own risk. The Cattlemen's Ball of Nebraska, Inc., Weborg Feeding Company and the 2023 Hosts, their Officers, Directors, Members, Partners, Co-chairs, Committee Members, their agents, and volunteers (collectively referred to as "Event Providers") shall not be liable for and disclaim all liability for any claims of whatever nature, including but not limited to, that for theft, injury, loss or damage of whatever nature, against the Event Providers, whether arising from the default, negligence, or otherwise, of any one or more Event Providers and guests further waive any claim of any nature in their own right and on behalf of anyone claiming through them.

CONSENT TO USE OF IMAGE OR LIKENESS

Entry to the grounds of the 2023 Cattlemen's Ball of Nebraska constitutes consent and permission to use all entrants' likeness and/or image at any time in future photographs, video and/or any other promotional materials related to The Cattlemen's Ball of Nebraska 2023 and/or all future Cattlemen's Ball of Nebraska events.

LOST & FOUND

Lost and Found items are located in the Token Grain Bin. After the Ball, contact Renee at 402-922-0095 or buchholz@abbnebraska.com.

CATTLEMEN'S BALL BOARD OF DIRECTORS

Left to right: Suzanne Jagels, Ray Bennett, Al Svajgr, Jeff Marshall, Chuck Baum, Jake Pullen, Kevin Rasmussen, Dick Miles, Becca Weborg. **Not pictured:** Shawn Jones, Ivan Rush, Misty Stauffer, Laurie Widdowson.

On behalf of myself and the Cattlemen's Ball of Nebraska, Inc. Board of Directors, we would like to welcome you to the 25th Cattlemen's Ball here in Cuming County, south of Pender, NE. As I attended the General Chair committee meetings through the past year for the planning of this event, it was evident that this is a community with a great deal of pride in doing things the right way. In seeing that, I anticipate this will be a wonderful event.

As we celebrate 25 years of the Cattlemen's Ball, I would like to thank the past and current Board of Directors, past hosts, General Chairs, committee members and thousands of volunteers that it has taken to get us to this milestone. It is hard to imagine that we have raised over $17 million for cancer research. Without question, cancer has impacted us all in one way or another. This event gives us the opportunity to promote and enjoy beef in a healthy diet and raise money to help find a cure.

The Board of Directors would like to thank the Weborg family for hosting the Cattlemen's Ball this year. Thank you to Kent & Colleen Weborg, Craig & Darlene Weborg, and Brian & Renee Weborg. We also want to thank all of the General Chairmen, Committee Chairmen, and the committee members and the hundreds of volunteers that it takes to make this event happen.

We look forward to seeing everyone again in 2024 when Scott & Kristen Schiff host the Cattlemen's Ball near Minatare, NE on June 7th & 8th.

Jeff Marshall

Jeff Marshall

MEET THE 2023 HOST FAMILIES

WELCOME TO THE 2023 CATTLEMEN'S BALL OF NEBRASKA!

The Weborg Family invites you to enjoy all that the 2023 Ball has to offer. The feedlot, which was started in 1944 by their parents, Curtis and Janice Weborg, has grown into a 25,000 head feedlot today. It's a true family business with eight family members working alongside the three Weborg brothers, Kent, Craig and Brian, at their locations in both Pender, NE and St. Charles, SD. The Weborg family is honored and proud to host this event that serves a cause that is close to their hearts with several of the family members being cancer survivors themselves. The family wishes to say a special thank you to the incredible support they received in response to planning and hosting this event. Nebraska is a wonderful state in which to live!

Kent & Colleen Weborg and Family

KENT & COLLEEN WEBORG

Kent & Colleen met at a wedding dance at the Beemer Ballroom in 1973 and were married a year later, celebrating 50 years together next year. To their marriage, they had two sons, Tyler and Tony. Kent is the President of Weborg Feeding Co. and is semi-retired. In their free time, they enjoy attending their grandchildren's activities; as well, Kent enjoys golfing and Colleen enjoys shopping. They have a home in Arizona where they enjoy time away throughout the year. Both Kent & Colleen are cancer survivors and they have had many friends and family impacted by cancer.

Family members:

Tyler & Becca (Wegner) Weborg - *West Point, NE*
kids: Nevaeh, Adara, Nora, Maddox

Tony & Meghan (Smith) Weborg - *St. Charles, SD*
kids: Kate, Taos, Mesa, Lou

CRAIG & DARLENE WEBORG

Craig & Darlene met when Darlene helped a friend rake their yard in 1982. They were married a year later, celebrating 40 years together this year. They have three boys, Adam, Alex and Austin. Craig serves as the Treasurer for the Feedlot. In their free time, the couple loves to spend time with their family, attending many kids' events, as well as boating and traveling. The purpose of the Ball is personal to them as Craig continues to monitor his diagnosis of prostate cancer and there are many close friends and relatives who have fought the battle.

Craig & Darlene Weborg and Family

Family members:

Adam and CharLee (Raasch) Weborg - *Bancroft, NE*
kids: Makia, Makali, Makouy & Makayd

Alex and Jessica (Hudelson) Weborg - *Pender, NE*
kids: Lucas, Jamie & Evelyn

Austin and Makenna (Kreikemeier) Weborg - *Beemer, NE*
son: Curtis

BRIAN & RENEE WEBORG

Brian & Renee were set up by a mutual friend and the rest is history! They were married in 1984, celebrating 40 years together next year. The couple has three children, Emily, Evan and Easton. Brian serves as the Vice President for the feedlot. In their free time, they enjoy anything outdoors - hunting, fishing, boating, skiing, traveling and being with family. Personal ties and losses to cancer, including Renee's dad and uncles, along with cousins who are breast cancer survivors, make the event a worthy one.

Brian & Renee Weborg and Family

Family members:

Kelly and Emily Hohn - *Mitchell, SD*
kids: Hank and Wava

Evan and Jessica (Nolan) Weborg - *Elkhorn, NE*
kids: Barton and Hayden

Easton and Tori (Wagner) Weborg - *Pender, NE*
kids: Lily and Ryder

2023 GENERAL CHAIRS

Left to right: Bruce Wichman, Nancy Wichman, Ryan Steffensmeier, Charissa Steffensmeier, Glen Gralheer, Andy Scholting, **Side Picture:** Tom Ruskamp, Bonnie Ruskamp

GLEN GRALHEER
PENDER, NE

Glen is recently retired after spending most of his career with Polaris Industries where he led vehicle programs from concept to production. He's looking forward to being a part of the Cattlemen's Ball to help fund a cure for cancer. Like many others, Glen has lost friends and family to the disease, so the cause is one that is dear to his heart. Glen also knows many survivors, so believes that there is hope for others and that continued research will help aid in finding a cure.

TOM & BONNIE RUSKAMP
DODGE, NE

Tom & Bonnie operate a diversified family farm operation where they raise corn, soybeans, wheat, and alfalfa in addition to a cow-calf herd. Bonnie teaches second grade at Howells/Dodge Consolidated Schools. Tom & Bonnie have three children; son, Garrett and his wife, Ellan; two daughters, Danielle and husband Adam Klein; Courtney and husband Andrew Kurtenbach. Tom and Bonnie are incredibly excited to be involved in this year's Cattlemen's Ball. In addition to many extended family and friends, Bonnie's mom and Tom's dad both lost their lives to cancer and Tom's mom is currently a survivor. They believe in the power of prayer and the passion this group has. They look forward to seeing all of you at the Ball!

ANDY SCHOLTING
WISNER, NE

Andy is Co-Owner and President of Nutrient Advisors in West Point. Andy and his wife, Lisa, have five children: Reagan, August, Taylor, Riley, and Ross. Andy serves on the Wisner-Pilger school board and is an elder at their church. Andy is excited that the Weborg family will host the Cattlemen's Ball in Cuming County and feels privileged to help with the Ball for such a great cause. Cancer has taken loved ones from their family, so the opportunity to promote cancer research and awareness while having a lot of fun is a blessing.

RYAN & CHARISSA STEFFENSMEIER
WEST POINT, NE

Ryan is President & CEO of First Community Bank and Charissa is Senior Counsel for Peabody Energy; they have four children ages 14-21: Xavier, Tobias, Helena & Elijah. Like many, Ryan & Charissa have been deeply affected by cancer including the loss of Charissa's mom & sister. They are honored to serve as general chairs to help bring this impactful event back to their community, along with raising funds and awareness for many important organizations that directly aid those dealing with the effects of cancer. They are proud to be residents of Cuming County and know that the community will rise to the occasion of making the 2023 Cattlemen's Ball a huge success.

BRUCE & NANCY WICHMAN
PENDER, NE

Bruce serves as a loan officer for Frontier Bank in Pender and Nancy is retired after working 43 years at Pender Community Hospital. They have two adult daughters, Amber (Ross) Bacon, who live in Lyons with their three children: Avery, Ryanna, and Ansley; and Shelby (Zach) Mutchie, who live in Lincoln with their two children: Delaney and Beckham. They enjoy being with family and attending their grandkids' many activities along with traveling and boating on the Missouri River. Bruce and Nancy became involved with the Cattleman's Ball because, like many others, they have lost loved ones from cancer and have personally been impacted by it as well.

2023 ALL COMMITTEES

We are deeply grateful for the time, talent, and energy these incredible committee chairs and volunteers have dedicated to make this event a success.

Thank you for your commitment and generosity!

-The Weborg Family

DR. KEN COWAN M.D., PH.D.

On behalf of the faculty, staff and students at the Fred & Pamela Buffett Cancer Center, I would like to take this opportunity to express my deepest gratitude to everyone involved with the Cattlemen's Ball for the last 25 years for your generosity, dedication and hard work that has raised nearly $17 million for cancer research in Nebraska!

To say that tremendous strides have been made in cancer research in the last 25 years is an understatement. Cancer treatment is very different now from 1998, the year the Cattlemen's Ball started. In 1998, those facing a cancer diagnosis received treatment that was 'one size fits all.' Today, cancer treatments are based in personalized medicine, and the genetic makeup of a patient's tumor is used to design a treatment specific to them. In the last 25 years, there has been an emphasis on cancer prevention and screening. The Early Detection Research Network (EDRN), started by the National Cancer Institute in 1999, is a consortium of over 300 investigators at several academic institutions, including the Fred & Pamela Buffett Cancer Center, who work collaboratively to discover, develop and validate screening methods to detect cancer in its early stages and calculate the risk of developing cancer. A vaccine for human papillomavirus (HPV), which protects individuals from more than 90% of HPV infections that can potentially cause cancer, came out in 2006. All of these initiatives, and many more, are the result of progress in cancer research. Over the next 10 years there is expected to be a 24% increase in the number of cancer survivors to over 22.5 million as a result of the improvements in cancer screening, treatment and prevention over the past two decades.

Your gifts to the Cattlemen's Ball help the Fred & Pamela Buffett Cancer Center, the only National Cancer Institute (NCI)-designated cancer center in Nebraska, support new pilot research projects, which enable our researchers to initiate preliminary experiments that will lead to larger federally funded multi-year research grants. Over the past two decades research funding at the Fred & Pamela Buffett Cancer Center has increased 350% to over $65 million in 2023. Cattlemen's Ball funds are also used for faculty recruitment and retention, purchasing shared lab equipment and a state-wide clinical trials program. Over the past two decades, over 250 clinical and research faculty were recruited to Nebraska, and the Fred & Pamela Buffett Cancer Center opened a new multidisciplinary cancer research and cancer care facility in 2017.

It is impossible for me to even begin to correctly estimate the amount of time that volunteers have devoted to the Cattlemen's Ball across Nebraska over the last quarter of a century - thousands upon thousands of hours to be sure. If you have purchased tickets, auction items, merchandise, played golf or took part in a sponsorship – all of it helps the Fred & Pamela Buffett Cancer Center achieve its mission of preventing and curing cancer across Nebraska and beyond through innovative research.

I attended my first Cattlemen's Ball in 1999 in Lexington hosted by Dr. Joe and Diane Jeffrey. I knew from that first event that the Cattlemen's Ball was something unique. I have so many fond memories of many moments shared with extremely special people from across Nebraska that I am fortunate to call friends. While I will be stepping down as the director of the Fred & Pamela Buffett Cancer Center later this year, I look forward to attending many future Cattlemen's Balls, seeing more of this beautiful state and meeting more Nebraskans.

I want to express my gratitude to the people of Pender and the surrounding areas who worked together for the past year to make the 2023 Cattlemen's Ball a very special event. Thank you to this year's co-hosts, Kent and Colleen Weborg, Craig and Darlene Weborg and Brian and Renee Weborg and their families, for your hospitality, commitment and passion for the Cattlemen's Ball.

As always, I am extremely grateful to the past and present members of the Advisory Board of the Cattlemen's Ball of Nebraska for your leadership and support, and all that you do for cancer research. Congratulations on 25 years providing hope to families across Nebraska! To all of the committee chairs, committee members, and the thousands of volunteers over the years: please know how very much your time and work are appreciated and admired. Finally, on behalf of the faculty, staff and patients of the Fred & Pamela Buffett Cancer Center, we thank each of you again for supporting the Cattlemen's Ball. Only one thing changes about the Cattlemen's Ball every year, and that's the location. One thing that never wavers is the generosity of Nebraskans, and 2023 is no exception.

Again, a sincere and heartfelt thank you to each and every one of you who has supported the Cattlemen's Ball. Here's to the next 25 years!

Kind regards,

Ken Cowan

Kenneth H. Cowan, MD, PhD
Fred & Pamela Buffett Presidential Chair

Fred & Pamela Buffett Cancer Center

JIM PILLEN
GOVERNOR

Dear Friends:

Welcome to the 2023 Nebraska Cattlemen's Ball!

This event brings together Nebraskans to raise money in the fight against cancer while also celebrating agriculture and our state. A time-honored tradition, this gathering moves locations across Nebraska each year so that attendees can enjoy our state's natural beauty.

Agriculture is the heart of Nebraska and beef is our state's single largest industry. Farmers and ranchers represent the best of Nebraska. Our success determines the future of our state. When agriculture grows, our whole state grows.

As your Governor, it has been my greatest joy to meet Nebraskans across our great state. Nebraska is the best place in the world to work, live, and raise a family because of our people – a people formed by the values of grit, determination, and hard work.

I want to thank you for attending the 2023 Nebraska Cattlemen's Ball. This event is only possible because of your passion for agriculture, generosity for this cause, and belief in the future of Nebraska. Together, I know we can raise bushel baskets of money to benefit cancer research.

God bless you and God bless Nebraska!

Sincerely,

Jim Pillen
Governor

WADE HAYES

Country music's power has always been in its ability to reflect real life, and few artists have a stronger gift for capturing both heartache and hope than Wade Hayes. In the past few years, the singer/songwriter has navigated a complicated journey that has produced some of the most potent songs of his already impressive career. Surviving stage IV colon cancer, not just once but twice, has given Hayes a unique perspective of the fragility of life and the strength of the human spirit.

A second generation country singer from Bethel Acres, Oklahoma, Hayes grew up watching his dad perform. In 2009, he released the critically acclaimed independent album, A Place to Turn Around, and continued to tour extensively until his world came to a screeching halt when he was diagnosed with stage IV colon cancer in the fall of 2011. It was a surprise to everyone, even the doctors. Because Hayes was so young, doctors initially thought the symptoms were the result of him working out too strenuously and lifting too much weight. After extensive surgery and debilitating chemotherapy, Hayes battled his way back to health only to have the cancer return in the fall of 2012.

He's now cancer free again, and the title track of his new album was inspired by a conversation with his oncologist. "When I'd gotten through cancer the second time and we were looking at my blood work, my oncologist said, 'Wade, you were stage IV and now you're cancer free. We can take your port out. This is a big deal and I want to tell you something. I want you to go live your life.' "It hit me like a ton of bricks," Hayes continues, "because I knew that he meant two different things: one being, it's kind of a miracle that you're still here. You need to go enjoy your life. And two being, you had cancer really bad, and when it spread as far as it did, there's a good chance that it can come back. He was telling me to go live my life, because we don't know how long this good is going to be. I told Bobby Pinson that story and we wrote the song, "Go Live Your Life" - an upbeat anthem about making the most of every day and reveling in the things that bring you happiness."

SERENITY GARDEN

FRIDAY || 4:00 PM - 9:00 PM
SATURDAY || 9:00 AM - 9:00 PM

SG SERENITY GARDEN

Amidst the hustle and excitement of the 25th anniversary of the Cattlemen's Ball you will find an area to visit and reflect upon the true meaning of the Ball. Our Serenity Garden will give you an opportunity for rest and quiet reflection.

You will be welcomed by six custom made **"Hope Angels"** standing on both sides of the path leading to the garden. The message of **"Hope"** is prevalent throughout this year's Ball. In our garden, we are **"Growing Hope for a Cure."**

In the Serenity Garden, you will have the chance to sit and listen to the music of the water fountains, relax in the shade, enjoy the colorful flowers of the honorary Patio Pots and reflect upon your faith as you look to the old rugged crosses.

BE JOYFUL IN HOPE, PATIENT IN AFFLICTION, AND FAITHFUL IN PRAYER.

ROMANS 12:12

As a reminder, guests who have pre-purchased a Patio Pot are asked to collect their pots after 4:00 PM on Saturday afternoon.

BEEF EXPERIENCE

SATURDAY || 9:00 AM - 5:00 PM

BT
BEEF TENT

DEMONSTRATIONS:
Ration Building
11:00 AM & 3:00 PM

OTHER ACTIVITIES:
Dystocia Cow
Animal Science Activities
Mobile Beef Lab
Experts from the field
Nutrition with Nebraska Beef Council
Implant Update with Zoetis

Come experience beef from pasture to plate! As you enter the Beef Experience Tent, you will be able to walk through the life cycle of beef cattle and leave confident about eating beef as part of a nutritious diet.

- Start at birth with the Northeast Community College Vet Tech program. They will have a Dystocia Model where you can learn all about the miracle of birth and best practices with handling calves.
- Then it's on to pasture, where we will have an expert talking about how cattle play a huge role in sustainability of the land. From here you can take a walk outside to the Mobile Beef Lab where you can experience the ruminant at work!
- After that we are heading to the feedlot. Starting with animal care, make sure to take some time to watch the short video highlighting how pen-riders spot and treat sick animals for optimal care and quality. Then it's time to start feeding! Sweet Bran will be there to walk through the components of building a ration. Implants are a hot topic surrounding the beef industry. Did you know there are more hormones in your broccoli than in your beef? Zoetis will be in the tent to answer questions and explain how implants are used in the industry today.
- Harvest is the next stage of the life cycle. Experts from the University of Nebraska-Lincoln will have a side of beef carcass model to highlight primal cuts and then you'll have a chance to participate in animal science activities.
- As you make your way through the life cycle, your nose will guide you to samples from Sysco. They will be providing two recipe demonstrations highlighting beef and providing samples.
- Finally, you can feel confident about choosing beef as part of a nutritious diet as the Nebraska Beef Council provides you with nutritional information about beef.

HISTORY

THE 2023 HISTORY TENT HIGHLIGHTS THE EVOLUTION OF THE CATTLE INDUSTRY AND THE 25 YEAR HISTORY OF THE CATTLEMEN'S BALL.

THANK YOU FOR SPONSORING
CITIZENS STATE BANK

FEATURES ON DISPLAY INCLUDE:

- History of the Cattlemen's Ball - we are recognizing the 25 families and communities who have hosted the Cattlemen's Ball of Nebraska. Their donations and hard work are a great tribute to our state.
- History of the Cattle Feeding Industry - an important industry in our state, we are taking a walk back through the history of the cattle-feeding industry in Nebraska.
- Commitment to the Cure - the Cattlemen's Ball has raised millions of dollars for the Fred & Pamela Buffett Cancer Center in Omaha over our 25 year history. As we reflect back on the progression of cancer research, we are thankful for our partnership and their commitment to finding a cure.

Congratulations Cattlemen's Ball of Nebraska. What an impact you have made!

SATURDAY || WEST POINT

STAMPEDE

SATURDAY, JUNE 3
6:30 AM - REGISTRATION
7:00 AM - RUN/WALK BEGINS

The Cattlemen's Ball Stampede - 5K + 1 Mile Run/Walk takes off from the St. Paul Concessions shelter at Neligh Park in West Point on Saturday, June 3rd.

The trail showcases the beautiful community of West Point and participants receive a free t-shirt. The $25 entry fee will support the mission of the Cattlemen's Ball, funding cancer research and finding a cure!

STYLE SHOW

In true Cattlemen's Ball spirit, we honor those who have traveled the cancer journey. The models participating in the style show are all cancer survivors with their own unique stories. We are excited to feature clothing from Nebraska and South Dakota vendors at this year's style show as we honor the models' courageous spirit. We celebrate those on the stage, in the audience, and in our hearts who have been on a journey cancer. Their stories are beacons of hope in the battle against cancer.

EMCEE
AMBER LITTLE

Growing up in Thurston and graduating from Pender High School in 2003, Amber Little now calls Lincoln home with her husband, Darrin. For the past 16 years, Amber has held different roles at 10/11 News, where she currently serves as the Digital Director. Amber remains committed to honoring her late mother's legacy by co-hosting the Thurston Turkey Trot every Thanksgiving. Carol Smith co-founded the event before passing away from ovarian cancer in 2013.

SATURDAY NIGHT || 9:00-10:30 PM

MT
MAIN TENT

For nearly two decades, MCA Nashville recording artist Josh Turner has been one of country music's most recognizable voices, selling more than 8.5 million units and amassing more than 2.5 billion global streams. He has never kept his reverence for traditional country music a secret, with some of his favorite influences coming from Randy Travis, John Anderson, Johnny Cash, Vern Gosdin, and Hank Williams.

With hits like "Your Man," "Long Black Train," "Firecracker," "Would You Go With Me," "Why Don't We Just Dance," and "All Over Me," Josh Turner is sure to put on a memorable show to commemorate our 25th year at the Cattlemen's Ball of Nebraska!

DYLAN BLOOM

SATURDAY || 10:30 PM -12:00 AM

Dylan Bloom is a Country Music Artist from a small town, 6th generation farm in eastern Nebraska. Following in his grandfather's footsteps (Greg "Jeep" Bloom, who was inducted in The Nebraska Music Hall of Fame in June 2001) Dylan Bloom is blazing a path to his own regional and national success. At age 15, Dylan picked up the guitar and began to play music and write songs that have a wide, universal appeal. For some, his nostalgic longing for a happier, easier past hits home. Others hear the promise of a better world that is still in front of us. The connections are real and this, as much as anything, explains the deep love his fans have for him. Amazingly…you get a sense of all of this from the first moment you meet Dylan or see him perform on stage.

It all began with agriculture.

In 1985 CharterWest Bank began as a small West Point ag bank. Today you can find us all across Nebraska, but no matter how much we grow or how far we go, we are proud of our Northeast Nebraska roots.

CharterWest bank

the power of the eagle

Nebraska born. Nebraska owned. Nebraska values.

CALF FOR A CURE

The Calf For A Cure program invites and encourages everyone, regardless of their involvement in the beef industry, to take part in fundraising efforts exclusively supporting cancer research. A donation of $1,000 buys a feeder calf, and is combined with other donations to purchase a pen(s) of feeder cattle. A donation of $600 pays to feed a feeder calf. Donors to the Calf For A Cure Program are recognized in the official Cattlemen's Ball of Nebraska program and receive a special lanyard to wear during the 2023 Ball event.

The 2023 Cattlemen's Ball Calf For A Cure chairs are: Jordan Feller, Jeremy Ritter, Keith Kreikemeier and Ryan Steffensmeier. In November of 2023, the generosity of donors allowed us to purchase $90,000 worth of feeder cattle which were placed on feed at Ritter Feedyards until they were shipped for harvest in May 2023.

THANK YOU TO OUR 2023 CALF FOR A CURE DONORS!

FRESH MEATS TEAM

PATIO POTS

Thank you to those who purchased a Patio Pot in honor of a loved one's journey with cancer. These beautiful pots add to the ambience of the Serenity Garden, offering a quiet place for reflection, prayer and remembrance. The battle against cancer touches each one of us.

We appreciate the generosity, time and talent of the following individuals and florists who donated to this cause:

Joyce Dolezal
Amy Worth
Dianne Habrock
Shari Henschke
Wanda Kelly

THANK YOU FOR TAKING CARE OF OUR VOLUNTEERS!

On behalf of the 2023 Cattlemen's Ball of Nebraska host family, board of directors, and committee chairs, we want to extend our sincere thanks to those who provided food, drink, t-shirts to the over 1,000 volunteers who helped make this event a success. There were many businesses who provided fantastic meals for our volunteers from the first day of set-up to the last day of cleaning up for the Cattlemen's Ball.

A special thank you to our Committee Chairmen and all of our gracious volunteers. We couldn't have done it without you!
