

# Past, Present, and Promise Petals

The Cattlemen's Ball dedicates itself to the promise of providing funds for the Fred & Pamela Buffett Center to help eradicate cancer. The Promise Petals are to remember those we have lost to this horrible disease, for those that are fighting and those who have survived. This years Promise Petals 2017, are a beautiful hanging basket of flowers. This basket is yours to take home and enjoy.

For a donation of \$100.00 you can sponsor a basket as a Memorial or a Celebration of Survival. We will be placing these baskets in our serenity garden. With your donations please provide us with any information you would like to share about you or your loved one. The information will be placed in the basket on a display card. At the end of the evening (after 4:00 pm) you may take your basket home to enjoy for the rest of the summer.
