

# CATTLEMEN'S BALL HONOR BOARDS

You can purchase an Honor Board to celebrate a cancer survivor, a loved one currently fighting cancer, or in memory of a loved one. Each Honor Board is custom made with your loved one's picture and name for \$150. Each Honor Board includes a cancer ribbon and frame of awareness color. Honor Boards are 24 x 36 inches and are made of laminated, corrugated plastic. They are printed on both sides. Each Honor Board comes with a heavy duty stand. These boards will be used to line the golf course during the Cattlemen's Ball Golf Tournament on June 2<sup>nd</sup> and then transported to the ball. Owners may pick up their board after ball activities.

Call or email Cathy Minnick with questions.
