TRAIL TO A CURE

2013 Cattlemen's Ball of Nebraska
June 7 – 8, 2013

Your opportunity to
make a powerful difference
in the fight against cancer.

www.CattlemensBall.com

Mission Statement

The Cattlemen's Ball of Nebraska, Inc is established to promote beef in a healthy diet, to showcase rural Nebraska and to raise money for healthcare research to benefit the UNMC/Eppley Cancer Center and local healthcare.

Advisory Board Welcome

Welcome to the 15th Annual Cattlemen's Ball of Nebraska. On behalf of the Cattlemen's Ball Advisory Board thank you for being a part of this special weekend! I hope you get to laugh out loud, sing your heart out, be moved to tears, dance like no one is watching, shop and buy one-of-a-kind things, eat delicious beef, and have a wonderful time!

Over the years the Cattlemen's Ball of Nebraska has teamed up with Eppley Cancer Center and 15 Host Families and Communities to carry out our mission of raising funds for cancer research, while promoting beef in a healthy diet and showcasing rural Nebraska. The Cattlemen's Ball of Nebraska has donated over \$7 million to cancer research plus supporting health care in many local communities. Each and every host family, community and guest to a Cattlemen's Ball of Nebraska should be proud that their efforts are yielding results. We all have a connection to cancer, and our efforts are making a difference!

The Cattlemen's Ball of Nebraska Advisory Board is delighted to introduce the Ralph & Beverly Holzfaster family, along with the Neal Hansen family as the 2013 Cattlemen's Ball of Nebraska hosts. These two families have a long and distinguished history with the cattle industry and a great commitment to giving back to the community. This year the local chairmen of the Ball are Tim Holzfaster, Jon Holzfaster, Doug Teaford, & Greg Wilke. Your hosts and many wonderful volunteers have worked extremely hard to bring you a fun-filled day! Their great efforts will contribute greatly to cancer research and to this local community's health care. We thank you! When you see these folks, please extend a word of gratitude for their tremendous gifts of time and talent to this year's event!

Thank-you to all the donors who have helped make today possible. Take a look around at the decorations, the auction items, the activities, and the food - all made possible by our donors! Thank you again for your generosity and commitment to "On the Trail to a Cure!"

Please enjoy your day with the Holzfaster and Hansen families. We will see you next year in picturesque Banner County. You don't want to miss it!

Laurie Widdowson, Chairman
Cattlemen's Ball of Nebraska Advisory Board

General Information!

First Aid:

Banner Health EMT's will be available on site, in the event that you may need medical assistance. In case of an emergency, dial 911.

Shuttle:

Transportation will be available to and from the hotels and event grounds throughout the day.

Tours:

Ducks Unlimited representatives will be joining us also to give tours various times of the day. They will be discussing the efforts that are taking place to help restore and improve the wildlife habitats within the Hangin H Ranch and surrounding areas.

Inclimate Weather:

In case of severe weather, we ask that you vacate the tents and return to the safety of your vehicle. Please wait out the weather on the site and do not leave the premises. Once it passes over, you will be able to return to the activities.

Payment Options:

Cattlemen's Ball will be using tokens unless otherwise stated. Each token is worth \$2.00 and are non-refundable. Tokens may be purchased at the token booth located by the main entrance. Cash, checks, and credit cards are accepted. Payment options may vary by vendors.

Auctions & Bidding:

Auction items are subject to sales tax. Auction items are governed by Schow Auction Services.

Welcome!

2013 Host Families

Welcome from the Host Families

Welcome to the Hanging H Ranch. We are happy to be your hosts for this year's Cattlemen's Ball. It has been a year of unbelievable generosity of time, talent, items, and dollars!

We know where the real credit is due and our thanks go out to all the volunteers and donors who have worked together to make this happen.

Have a wonderful time, meet old friends...

Make new friends...

As you help Eppley "ON THE TRAIL TO A CURE."

Ralph Beverly Neal

Ralph & Beverly Holzfaster of Paxton, Nebraska, are lifelong Nebraska family farmers. They raised their five children on the farm Ralph's parents homesteaded south of Paxton. Today the third and fourth generations of family members are actively engaged in the farming and cattle feeding operation.

Ralph was an Air Force Pilot and Missile Launch officer at Cape Kennedy. He came back to the farm, married Beverly, a Teacher in Paxton. They followed the harvest for 7 years, helped develop stubble mulch practices with Noble, Kraus, sunflower & Flex King. Farmed with Morrison-Quirk Co. at mile 26 Alcan hi-way. Worked with center pivot irrigation for 42 years, served on the Nebraska Ethanol Board, and completed 24 years on the Nebraska Public Board. Of all the opportunities we have had, working with the Cattlemen's Ball, and the Eppley cancer center has been the most rewarding. Beverly and I are both cancer survivors. For your generosity & support, our heartfelt THANKS.

Beverly and Ralph

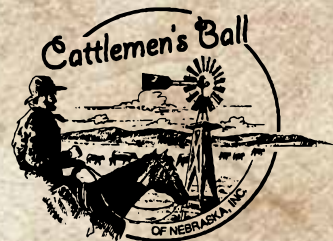

Neal Hansen was born and raised in eastern Nebraska. The 2013 Cattlemen's Ball will be held on Neal's Hanging H Ranch near Sutherland. Neal's grandparents were second generation Nebraska farmers. He returned to Nebraska after serving in the U.S. Navy and attended the University of Nebraska, earning his degree in Electrical Engineering. He was a member of the founding management team of First Data Resources, President and CEO of Applied Communications, President-Data Services Group US West and Chairman and CEO of CSG Systems. He is active in a number of educational, healthcare and youth development organizations.

Hansen's Hanging H Ranch!

The 2013 Cattlemen's Ball will be held at the beautiful **Hanging H Ranch** near Sutherland, Nebraska. The ranch includes substantial South Platte riverfront and wildlife habitat. It is the perfect setting for the Cattlemen's Ball.

The ranch operation includes grain and hay production, a registered herd of Angus cattle and performance and ranch-bred quarter horses.

A significant effort has been undertaken at the ranch to restore pasturelands, create and improve wildlife habitat and work in partnership with Ducks Unlimited in protecting and restoring wetlands.

The Holzfaster's Farm - it is in the 4th generation located 13 miles southwest of Paxton. Because of the accessabilities we are priviledged to be co-hosts with the Neal Hansen family and the Hanging H Ranch. We would be happy to have you come anytime. The coffee is always on.

Ralph Beverly and all our family

Welcome from the Chairmen

We are pleased to welcome you, our guests, to another spectacular Cattlemen's Ball. In addition to the excellent food and entertainment you have come to expect at each year's Ball, other activities including a Ranch Rodeo have been added for your 2013 enjoyment.

We extend our heartfelt thanks to the 40 committee chair-people and their volunteers committed to making sure this year's Ball again succeeds in raising significant funds for health care research.

Volunteers have come forward from communities in Keith, Lincoln, and Perkins counties—from FFA youth groups to Knights of Columbus and many other civic groups—we are proud and grateful for the way you have stepped up—to all of you we say "THANK YOU!"

We applaud the vision and dedication of our co-hosts, Ralph and Beverly Holzfaster and Neal Hansen; their determined efforts have been very inspirational. We also appreciate the opportunity to hold this 2013 Ball at Neal Hansen's Hanging H Ranch—certainly this ranch is "showcasing rural Nebraska at its finest." The ranch is crossed by many historic trails, "ON THE TRAIL TO A CURE" the theme for this year's Ball, is no less historic.

It is the hope of all of us that you, our guests, have an enjoyable and memorable Cattlemen's Ball – 2013.

Dinner Rolls
Pineapple Upside Down Cake

Donating all wines to Trail Boss Luncheon

In Art Tent
1 pm - 4:30 pm

MARQUETTE

Has a more complex fruit taste balanced with tannin. Color and clarity with deep purple hues make this wine attractive to the eye and palate.

TANNENBAUM

The garnet hues and cherry aroma, along with blackberry and plum flavors reflect the warmth of this holiday season. This full body red has been softened by aging on American oak. Pairs well with red meats and spicy foods.

TRINITY BLANC

A blended Blanc, LaCrosse and Edelweiss. This is an off dry white wine with crisp fruit flavor. It has spent a short time on oak to soften the finish and will pair well with picnic foods. Serve chilled.

- 719 Bronze Flying Mallard Sculpture

The Cattlemen's Ball is about
Nebraskans working together
to make good things happen.

One of the world's premier
cancer research centers is
right here in Nebraska.
The Cattleman's Ball
is making it even better.

Thank you for attending the 2013 Cattleman's Ball! We are deeply grateful to the people of Paxton and Sutherland and the surrounding communities who have worked together for many months to make this incredible event possible. A special thank you is extended to this year's hosts, the Ralph and Beverly Holzfaster family, and Neal Hansen, for your generous commitment to this year's Cattleman's Ball. We also extend our gratitude to the general chairs of this year's Ball, Jon and Tim Holzfaster, for their outstanding leadership and hard work. We also thank the committee chairs, committee members, and the hundreds of volunteers for your time and your talents.

**Kenneth H. Cowan, M.D., Ph.D.,
Director, UNMC Eppley Cancer Center**

"The Cattleman's Ball provides funding for cancer research at the UNMC Eppley Cancer Center that aids scientists and physicians in developing new and improved methods for early detection of cancer, as well as cutting-edge, personalized treatment plans for patients. More people are surviving cancer and living longer thanks to the support of the Cattleman's Ball of Nebraska, and the countless individuals and organizations that selflessly donate time, effort and money to this cause."

"On The Trail To A Cure," the theme of the 2013 Cattleman's Ball, brings several things to mind. First, the way we diagnose and treat cancer has changed drastically since 1971, when President Richard Nixon signed the National Cancer Act. Across four decades, the trail has led us to the twenty-first century, and the Human Genome Project, which mapped and decoded each of 25,000 genes found in the human genome. Along the trail, research has revealed that cancer is not one disease, but many different diseases, with distinct molecular and genetic characteristics. The many cutting-edge discoveries and treatments that have been developed over the past forty years have resulted in over 12,000,000 cancer survivors alive in the United States today! Tremendous strides have been made on the trail to a cure, but there is much more to do. The new Fred and Pamela Buffett Cancer Center (formerly the Eppley Cancer Center) will be leading the trail to a cure in the 21st century. Construction began in May on the new Cancer Center complex, which is expected to open in 2016. In the new cancer center, scientists and physicians will be together in state-of-the-art facilities that encourage the exchange of ideas and information. The integration of all cancer research and care on the UNMC campus into one location will provide all Nebraskans with a facility they can be proud of, and one that will transform the delivery of state-of-the-art cancer care. It will be a model for cancer centers around the world.

On behalf of the faculty, staff and patients of the Fred and Pamela Buffett Cancer Center, we thank each of you for attending this year's Cattleman's Ball. We are so grateful for your ongoing support for this event. We all play an important part "on the trail to a cure!" We hope you enjoy the 2013 Cattleman's Ball, and look forward to seeing you again in 2014!

Best regards,

Ken Cowan

Kenneth H. Cowan, M.D., Ph.D.
Eppley Professor of Oncology
Robert F. and Myrna L. Krohn Chair in Cancer Research

Entertainment!

LONESTAR

Saturday

8:30pm – 10:00pm • Main Tent

Meet LONESTAR

– your headline entertainment for the Cattlemen's Ball "Trail to a Cure".

Known for merging their country roots with strong melodies and rich vocals, Lonestar has amassed RIAA-certified sales in excess of ten million album units since their national launch in 1995 and achieved ten #1 country hits including "No News," "Come Crying To Me," and their crossover smash "Amazed" (which was also #1 on the Billboard Hot 100, the first record since 1983's "Islands in the Stream" to top both charts). The band's awards include a 1999 ACM Single of The Year for "Amazed" (the song also won the Song of the Year award) and the 2001 CMA Vocal Group of the Year.

Serenity Spurs!

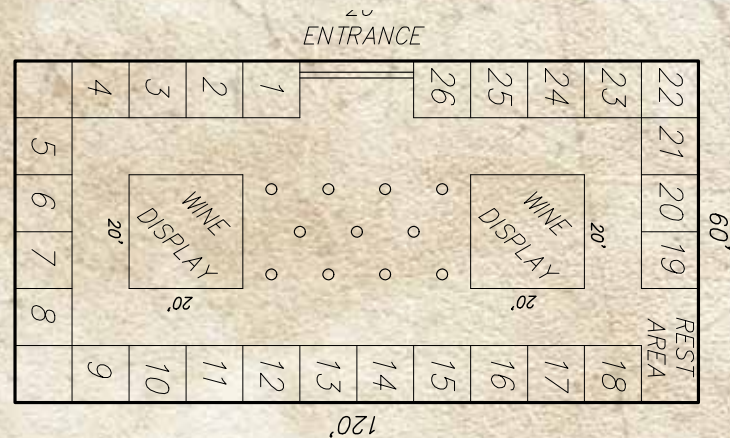

Featured for the first time at the 2013 Ball are the iconic Serenity Spurs. The spurs are made of carbon steel with a patina, and when stacked are 6'x 18' and weigh approximately one ton. They were created by Shannon Hansen, formerly of Ogallala, now residing in Lincoln. He is currently welding program chairman for Southeast Community College at Milford. Hansen has shown work in the Modern Arts Midtown Gallery in Omaha as well as in Lincoln art galleries.

A special use of the spurs will be to honor and remember loved ones affected by cancer. Individuals may purchase serenity ribbons depicting a specific cancer that may have touched their loved one. The ribbons will then be magnetically attached to the spurs for display during each Ball. It is expected that the spurs will travel the state as part of the annual Cattlemen's Ball.

The spurs have been sponsored by BlueCross and BlueShield of Nebraska and initiated by former State Senator and BC/BS Board Chair Emeritus, Jack Mills. According to a BC/BS spokesman, "The company is committed to giving back to customers and communities it serves."

Thank You to all of our Wine Tasting Sponsors!

Art Show!

Featured Artist Information

We are pleased to announce the following artists will participate in the art show:

- | | |
|--------------------------------|--------------------|
| #1 Linda Lacy | Ashby, NE |
| #2 Kay Meeks | Daniel, WY |

Ranch Rodeo!

"Efficient horsemanship for efficient stockmanship"

Kevin Meyer grew up on a cow/calf operation in southeast Wyoming, after college he worked on ranches in several western states where he continued his education in both stockmanship and horsemanship. Along the way he worked for cow/calf operations, grass stocker cattle operations, feedlots, mountain grazing allotments, and high intensity grazing systems. He then switched his focus to performance horse training where he has had success in training horses for cutting, reined cowhorse, and reining competition. Now the owner of his own company, Mantz Creek Horses, which includes both horse training and stocker cattle operations, Kevin strives to combine the precision of performance horses with the durability and versatility of working ranch horses to create efficient, dependable horses that are successful in the arena and on the ranch. Kevin conducts clinics around the country teaching riders of all levels horsemanship and stockmanship based on simplicity and efficiency.

Auctioneer Thad McDermott

Thad McDermott was born and raised on a ranch South of North Platte, NE. He graduated from High School and attended college receiving a degree in Communications. Thad also received an Auctioneering Degree from World Wide College Auctioneering in Mason City, Iowa.

McDermott Auction Service is a family owned business in its 15th year. The business provides complete auction service. Thad auctioneers cattle at Central Commission Company in Broken Bow, NE and Horse Creek Sale Company in Brighton, CO.

Another aspect of Thad's career is announcing numerous ranch rodeos and rodeos. Thad ranches South of North Platte, NE with his wife Lucinda and his daughter Jaylyn.

Haythorn Land and Cattle

Haythorn Land and Cattle was established in 1884 by Harry Haythornthwaite from Lancaster, England. Harry, at the age of 16, was stowed away on a ship of bulls headed for Texas and when he was discovered on the ship. He was forced to pay his passage by taking care of the bulls all the way to Galveston. He became a cowboy and made 4 trips up the Texas Trail. His last time to Ogallala, he decided to stay. He and his wife Emma filed on a land grant section in Arthur County, Ne and an American ranching dynasty was born. Today Craig, the great grandson of Harry, his wife Jody and sons, Sage, his wife Kelley, and Cord are partners of this historic 129 year old operation raising quarter horses and cattle.

Minor Ranch

J.H. Minor Company was established in 1887 and is located in the Sandhills of Nebraska, six miles south of Hyannis. The 5th generation ranch runs 2500 mother cows.

Pawnee Springs

Pawnee Springs Ranch Headquarters lies 8 miles east of North Platte on Highway 30 in Maxwell Nebraska.

The Ranch was established in the early 1940's originally as a cow calf operation. Currently, Pawnee Springs Ranch maintains its cow calf heritage along with calf back grounding facilities. With the cattle operations Pawnee Springs has 18 well-bred mares producing top quarter horse colts.

Today the Gottsch family owns Pawnee Springs Ranch that is regarded as one of the finest working ranches in the area.

The Sonneman Ranch

The Sonneman Ranch has been in the family since 1887. The original home place consisted of 160 acres and was bought by ancestors from Germany because it had a hand dug well on it. The ranch now runs a cow calf operation and small grow yard. It operates two irrigated pivots and sub irrigated hay meadow.

Wilson Ranch

Wilson Ranch was established in 1908. This is a Cow/calf operation with Kelly and Brad Wilson running the ranch. The Wilson Ranch is located in the Sandhills 11 miles west of Arthur.

Y Six Livestock

Established in 1897, Y Six Livestock is located in the Sandhills of Hyannis, Nebraska. The ranch is a 1200 head angus cow/calf operation that also runs 200 head of yearling heifers. The ranch has been passed down through 5 generations of cowboys. Wade Kramer is the current owner/operator along with his wife Heather. Not much has changed throughout the years. Hay is put up and fed with work horses, and all cattle work is done horseback. Y Six has been greatly blessed with a wonderful crew and nothing would be possible without their great dedication to the ranch.

A Little Information on Entertainers!

Gary Phipps is a country western musician who has performed throughout the US since the 70s. He has worked with the Bellamy Brothers, Jack Barlow and Minnie Pearl. He has played in clubs from Canada to Las Vegas. In 2008 he was inducted into the Nebraska Country Music Hall of Fame. Phipps calls North Platte his home when he's not traveling. You can enjoy Gary Phipps outdoors by the vehicle display.

Dick Turpin grew up hunting and fishing in the northern sand hills of Nebraska. Now retired, he is featured in his own outdoor segment called 'Turpin Time' which airs on TV stations across Nebraska. Dick speaks publicly about family, friends, and the great outdoors. Look for Dick Turpin by an antique chuck wagon close to the Saloon Tent.

The Meyer Triangle Ranch Co. in Maxwell, NE raises registered Belgian Horses and feeder cattle. Lynn and his wife, Linda, also collect antique machinery and wagons. They have graciously donated their covered cook wagon that is complete with antique cooking utensils and equipment. You will find the wagon across from the Saloon tent.

Volunteers of America – Western Nebraska

We are happy to have this organization to help you when you are wandering around the grounds. They will be able to tell you what is going on in each tent, activities happening throughout the day and what time events will happen.

On June 14th & 16th 2013, the 21st annual Ash Hollow Historic Pageant will take place. This year's Oregon Trail to the Wild West will tell the story of what it was actually like to be a pioneer of the Oregon Trail. The volunteers will be in costume and might be reciting some of their script. Be sure to ask them if you need help with anything.

Case Hasty from Holdrege, NE is a remarkable 15 year old that will put on a strolling magic show throughout the grounds. He has quite a program of entertaining card tricks and magic acts that you are sure to enjoy. His talent started with small groups and parties and grew to entertaining in Las Vegas.

The Treble Makers are a group of 5 people that will play chamber music at the champagne brunch. This classy group consists of Kay Toillion and Diane Livingston on violin, Tom Luke - viola, Cecilia Lawrence – cello, Gail Jensen – piano. There's nothing like a bit of class on the prairie!

Cowboy Capital Chorus directed by Susan Kelcon will sing the National Anthem during the opening ceremony. They will also start the entertainment in the Saloon tent on Saturday. This is a group of men who are bound by a love of singing. They have experienced many pains and joys of life and find camaraderie with other men who have similar experiences. Their mission is to help needy families throughout the community. To enhance their performance the 'Smile Quarter' from Scottsbluff, NE and Sterling, CO will join them.

Patsy Cline – Darla Heggen from Scottsbluff, NE will put on a show impersonating the Patsy Cline with that voice that we all remember as she belts out hits like 'I fall to pieces' and 'Crazy'. You can't miss this act in the Saloon tent with two repeat performances.

50th Season of the Crystal Palace Revue

Welcome.

This summer marks the 50th consecutive year that the Crystal Palace Revue has appeared at Front Street. Tens of thousands of visitors and local folk have enjoyed the production over its history. Three young ladies that went on to be crowned Miss Nebraska are former cast members. This year's company has worked hard to prepare a lively show. The show consists of Director Bob Reynolds, an Ogallala lawyer licensed in Nebraska and Colorado. Jordan Holzfaster, Carli Holz and Maggie Reynolds all attended Paxton High School. Emi Engel, Nate Baldwin, Alex Rudolph and Kurt Lawler all attended Ogallala High School, Calla Mailand attended Perkins County High School in Grant, Nebraska. Each will be in college this fall in their first, second or third year. In their 4th year with the show our piano players are Betty Jo Riggs and Peggy Voss. Sit back and relax and enjoy the Revue but be careful, you just might learn a little history along the way.

Center Pieces!

Promise Petals Past, Present, and Promise Petals

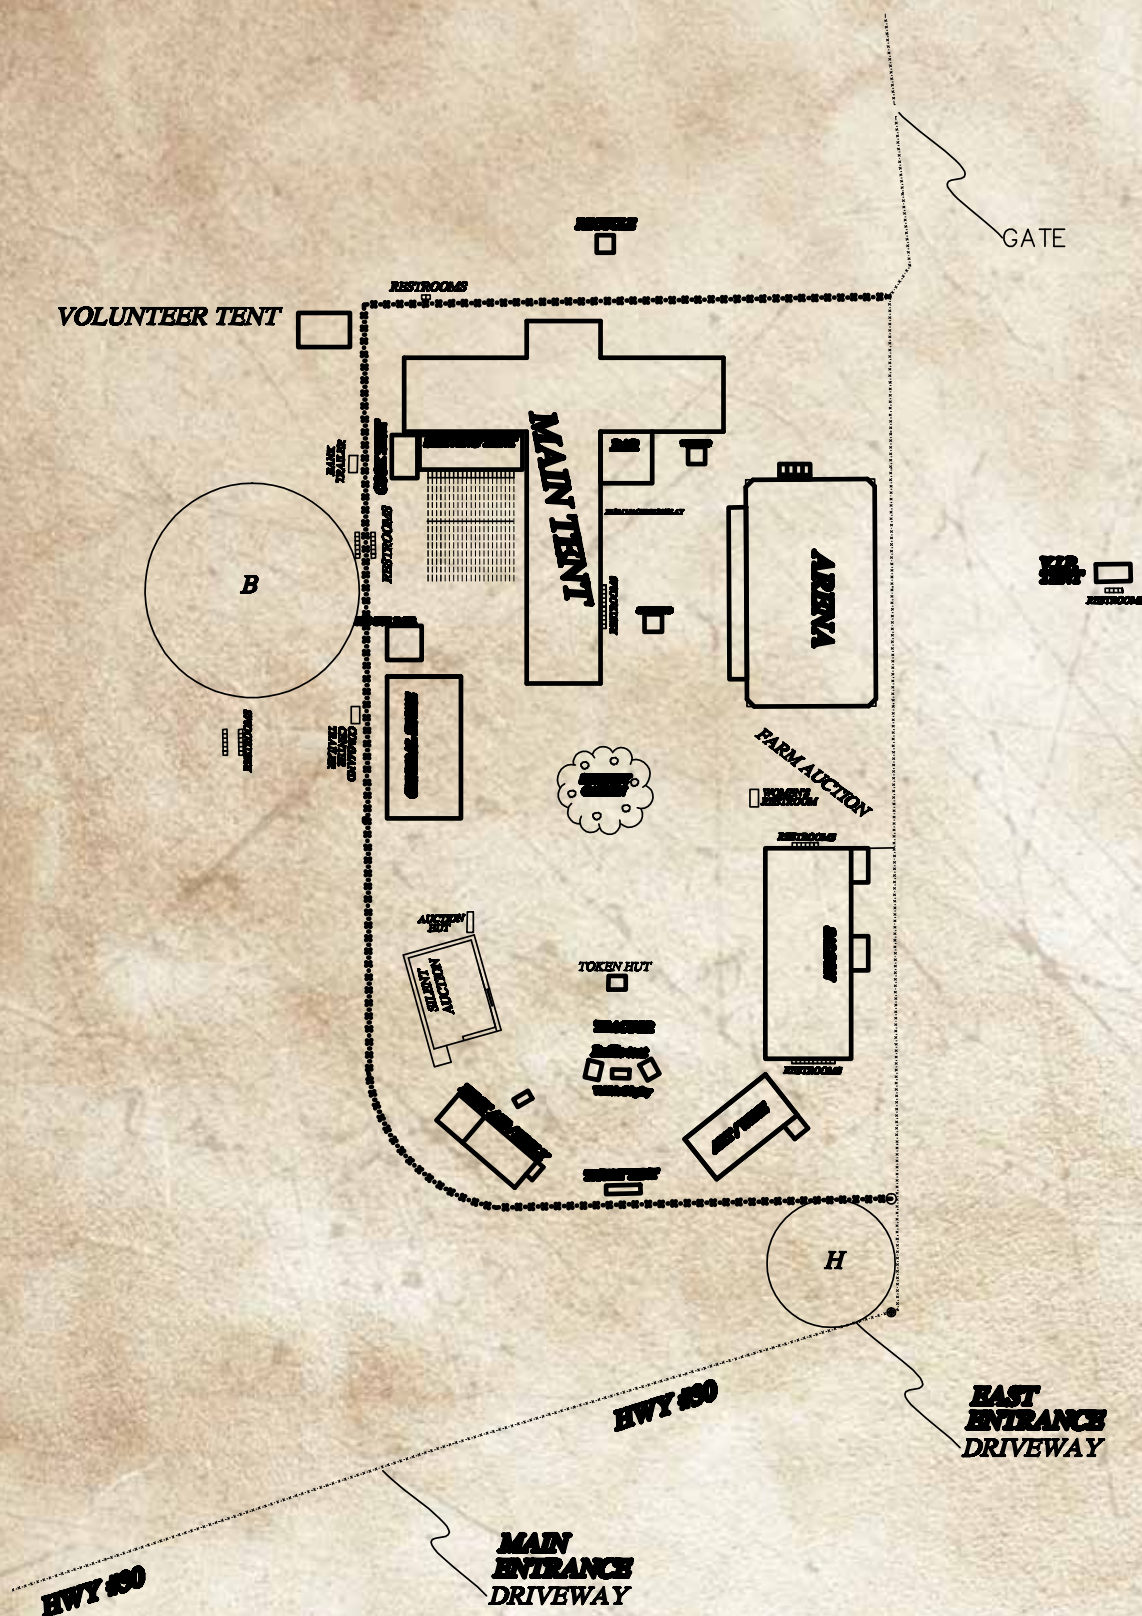

The Cattlemen's Ball dedicates itself to the Promise of providing funds to benefit cancer research at the UNMC Eppley Cancer Center. Each individual, volunteer, or participant, represents a single petal. Significant, yet when they come together they create a beautiful flower.

For the 2013 Cattlemen's Ball the Ball is offering you the opportunity to Bloom and Unify. For a \$100.00 donation individuals may sponsor a burlap covered pot full of beautiful annual flowers. Included in the arrangement will be a commemorative "Trail for a Cure" Cattlemen's Ball 2013 flower stake, as a Memorial Bouquet or Celebration of Survival Bouquet.

The bouquets will be used as table décor at the Ball Event meals. With your donation, please include any information you would like to share about your loved one. The information provided will be included on a display card with the bouquet. At the conclusion of the evening, the pot of flowers may be taken home with a wonderful memory that they were part of unified effort to raise funds for cancer research.
