GENERAL INFO

PAYMENT OPTIONS

The Cattlemen's Ball will be using tokens for payment for beer, mixed drinks, wine, games, and concessions. Tokens may be purchased at the Token Grain Bins located near the Main Tent and the Main Entrance. Each token is worth \$2.00. Please remember that tokens are non-refundable. Cash, checks or credit cards will be accepted for purchases at the General Store and Token Bins. Payment options may vary with individual vendors.

LIVE AUCTIONS & BIDDING

Auction items are subject to sales tax. Cash, checks, and debit/credit cards will be accepted as forms of payment for your convenience. Your prompt payment following the auction is appreciated. All bids are final. No refunds or exchanges will be made.

SILENT AUCTION

Silent Auction payment settlement will be through Qtego which will require a credit card.
The link is: <https://qtego.net/qlink/cattlemensballne>

SCAN TO BID

FIRST AID

EMTs will be on site to provide care for any medical situations. The EMTs are located at the First Aid Tent (South of the Main Tent).

DISCLAIMER NOTICE

This disclaimer notice and release is valid and automatically considered as accepted by all guests by their presentation of a ticket and entrance to the grounds of the event.

By presenting a ticket for admission to and entering the grounds of The Cattlemen's Ball of Nebraska 2021 (the "Event"), guests attend at their own risk. The Cattlemen's Ball of Nebraska, Inc., Samson Inc., and the 2021 Hosts, their Officers, Directors, Members, Partners, Co-chairs, Committee Members, their agents, and volunteers (collectively referred to as "Event Providers") shall not be liable for and disclaim all liability for any claims of whatever nature, including but not limited to, that for theft, injury, loss or damage of whatever nature, against the Event Providers, whether arising from the default, negligence, or otherwise, of any one or more Event Providers and guests further waive any claim of any nature in their own right and on behalf of anyone claiming through them.

CONSENT TO USE OF IMAGE OR LIKENESS:

Entry to the grounds of the 2021 Cattlemen's Ball of Nebraska constitutes consent and permission to use all entrants' likeness or image at any time in future photographs, video and any other promotional materials related to The Cattlemen's Ball of Nebraska 2021 and all future Cattlemen's Ball of Nebraska events.

LOST & FOUND

Lost and Found items are located in the Token Grain Bin (near the main gate) during the Cattlemen's Ball. After the Ball, contact Pat Mueller at traditions.inn@gmail.com or (402) 276-4301.

advisory BOARD

Welcome to the 2021 Cattleman's Ball of Nebraska!

It is with great joy that we can have this event this year. It was a hard decision to postpone it in 2020. But as the saying goes, all good things come to those who wait. The Advisory Board, as well as myself, welcome you to this great event in Columbus, Nebraska. I know the hard work this community had put into last year's ball only to have to put it on the back burner, then turn around, and regroup to make it even bigger and better.

Hopefully, all can come together and have a great weekend as well as raising funds to stop cancer. I am a cancer survivor myself, so I also have an added passion for all that is being done here in Columbus.

The Advisory Board would like to thank Scott and Pat Mueller for hosting this great event. We also want to thank all the committee chairs, co-chairs, and volunteers who have donated the time that it takes to make this happen. While in Columbus the next two days, enjoy yourself and help kick cancer.

We look forward to seeing everyone again in 2022 when Mark and Candi Rathe, along with Dr. Scott and Karen Lubben, host the Cattleman's Ball in Weeping Water, June 3-4!

- Kevin Rasmussen

Advisory Board Chairman

2021 host FAMILY

SCOTT & PAT

a little about the Muellers

Scott and Pat (Keller) Mueller met while volunteering at the University of Nebraska-Lincoln's 4-H Food Stand more than 40 years ago. After graduating from UNL, they married and returned to Scott's family farming and feedlot operation.

Scott eventually formed his own agribusinesses including cattle feeding, crop production, feed sales, and composting. In 2001, Samson LLC was formed as a commodity brokerage and a process-verified program to certify cattle for export and domestic markets. In 2013, Scott was part of an investment group that purchased and renovated the Ramada - River's Edge Convention Center in Columbus. His passions include encouraging the incubation, growth, and development of business. Scott has served on a variety of church, community and state organizations.

Pat grew up on her family's farm near Spencer, NE. She is a former high school teacher, who, for 20 years, operated a bed and breakfast and restaurant called Traditions Inn in Columbus. She enjoys volunteering in the community, entertaining, gardening and spending time with grandchildren. Scott and Pat's two sons, Brandon and Jordan, lend their expertise in web development and accounting to the management of the family businesses and to this year's Cattlemen's Ball.

Like so many, cancer has personally touched their lives. Scott's dad passed away from pancreatic cancer, his mother to leukemia, and they lost Pat's brother-in-law to esophageal cancer. The Muellers also have close family members and friends dealing directly or indirectly with cancer. They believe, if hosting the Cattlemen's Ball takes us one step closer to finding a cure, then every minute spent by the Columbus area volunteers and themselves, has been worth it. They thank you for joining them for the 2021 Cattlemen's Ball. Together, we can fund cancer research and find a cure!

host 2021 FAMILY

a little about the Jordan Mueller family

Jordan and Jennifer (Larrew) Mueller have one daughter, Brooke, age 6. Jordan is a CPA and shareholder of Schmeits, Mueller & Martinsen PC and an investment advisor representative and shareholder of Modern Asset Management LLC. Jennifer grew up in Lincoln, and is a 8th grade math teacher at Columbus Middle School. The family enjoys spending time together outdoors, golfing and traveling. Jordan is the CPA for the 2021 Cattlemen's Ball.

a little about the Brandon Mueller family

Brandon and Michaela have been married for 15 years and have 4 children Jack(10), Daphne(8), Charlie(6), and Lucy (4). Brandon works as the Director of Design and Development at RentVision. Michaela is a Selection Analyst and Strengths Coach for Gallup. The family enjoys the outdoors, reading and playing sand volleyball. The Mueller's have been involved in the Lincoln Berean Church and volunteer at City Impact, which is a program dedicated to serving under-resourced communities. Brandon also serves on the promotions committee by managing the Cattlemen's Ball website.

COMMITTEE CHAIRMEN

about the Committee Chairs

BRENDA BLATCHFORD - *Activities Co-Chair*

Brenda grew up on a farm near Clarkson, NE, and now resides in Columbus with her husband, Doug. Brenda is a Sr. Project Coordinator in the Project Management Office at Nebraska Public Power District and Doug is retired. They have three grown and married children, six grandchildren, and two Shih Tzu dogs. They are active members of Peace Lutheran Church in Columbus, and in their free time they enjoy traveling, spoiling their grandchildren, and gardening. Cancer has touched Doug and Brenda personally as Doug is a prostate cancer survivor, and Brenda was diagnosed early with melanoma.

KARIN RIEGER - *Activities Co-Chair*

Karin Rieger of Columbus is the Associate Dean of Extended Learning Services for Central Community College and is passionate about her role providing educational opportunities in a nine-county service area. Karin and her husband, Doug, serve in many roles at Peace Lutheran Church in Columbus and are avid volunteers for a number of community organizations. The two enjoy golfing, traveling, and most of all, spending time with family and friends. They are the parents of sons Kyle and his wife, Megan, and Jared who resides in Omaha. Karin and Doug have enjoyed assisting with the planning of the 2021 Cattlemen's Ball and look forward to working with so many dedicated volunteers to raise funds and awareness for cancer research.

NICOLE SAALFELD - *Beverage Chair*

Nicole is honored to serve as Beverage Chair for the Cattlemen's Ball. At age 19, she started bartending at Sahara Lounge/Boulevard Lanes and is still there 16 years later. After turning 22, Nicole and her sister, Amy, opened an upscale, resale store in downtown Columbus and just celebrated nine years in business. Three years ago, Nicole embarked on another entrepreneurial adventure and opened Cork & Barrel which offers a relaxing lounge-style atmosphere with unique cocktails and a variety of locally brewed beers and spirits. When she's not working, Nicole enjoys spending time with her husband, Vince, and kids: Jack (12) and Paisley (6). The Saalfeld family enjoys playing board games, riding four-wheelers, and hanging out with friends. Nicole is grateful for Beverage Chair Assistant, Jenny Meyer, and looks forward to serving you at the Ball!

SHEILA HUEBERT & EUGENE GOERING - *Food Chairs*

Sheila Huebert is a life-long resident of Henderson, Nebraska, but made Columbus her home eight years ago. In 2003, she started her own catering business and for nine years ran the Dutch Kitchen, a local cafe in Henderson serving traditional German-Russian food. She enjoyed volunteering in the community in such ways as serving at Bethesda Mennonite Church, being a 4-H leader, and helping to raise money for the Henderson Hospital. Sheila's father, Fred Regier, was a cattleman and attended the very first Cattle Baron's Ball. Sheila's previous husband, Kevin Huebert, died of esophageal cancer in 2011. She married Eugene Goering, a life-long resident and farmer in Platte County, in 2013. Eugene graduated from Lakeview High School, UNL, and the LEAD XXVII program. He has served on the Lakeview School Board and the Zion Church Council. Currently, he is the chairman with the Nebraska Soybean Board and on the National Soy Agriculture Alliance. Eugene's father, Glen, survived colon and prostate cancer, and his sister, Nadine, survived cancer of the colon and liver. Sheila and Eugene have six adult children and eleven grandchildren.

COMMITTEE CHAIRMEN

about the Committee Chairs

RICK & TRACIE CHOCHON - *Fundraising Chair*

Rick Chochon is the President and CEO of Great Plains State Bank with branches in Columbus, O'Neill, Omaha, and Petersburg. Rick is currently serving as the Community ICC Chair for the Petah La Shauro District of Boy Scouts. He is also a member of the Scotus Central Catholic School Foundation Board, NBA VEBA Board of Trustees, UNK's College of Business and Technology Dean's Leadership Council, and Neighbor-Works Northeast Nebraska Board. He has served as the Chairman of the Columbus Area Chamber of Commerce, Chairman of the Columbus Area Future Fund, and Drive Chairman for the Columbus Area United Way. Rick's wife, Tracie, is serving as the Silent Auction Chair and is an Educational Psychologist with Norfolk Public Schools. The Chohons have five grown children, who are all Eagle Scouts, and four grandchildren.

CRYSTAL KLUG - *Promotions Chair*

Crystal Klug is proud to be a part of the 2021 Cattlemen's Ball. She and her husband, Beau, keep busy raising crops, cattle, and kids, and are the third generation to live and raise their family in the farmhouse Beau's Grandpa Herb and Grandma Doris built. The Klugs have three children: Briggs (11), Gentry (9), and Coy (6). Beau and Crystal serve as 4-H leaders and enjoy volunteering for the Platte County Fair, Platte Co Ag Society, CommonGround, and Christ Lutheran Church and School. Their family hobby is showing pigs at local, state and national swine shows in the spring and summer. The Klugs are honored to play a part in helping fund a cure in memory of their Grandmas, Doris Klug and Veda Hansen, who both were gone too soon because of cancer.

JIM & IVY KLUG - *Site Co-Chair*

Jim and Ivy Klug have called Platte County home for their entire lives. Both of their families, the Klugs and Bakenhus', were involved in many aspects of the livestock and farming industries and still are today. Jim and Ivy are lucky to share the love of agriculture with their family: two sons and two daughters along with their spouses, and nine (soon to be ten) grandchildren. The spirit of giving has been shown through Jim and Ivy's involvement in Christ Lutheran Church and School, 4-H, FFA, Lakeview High School events and many other community activities. Helping with this tremendous cancer research fundraiser is near and dear to their hearts, as cancer has touched their lives and the lives of their children and grandchildren.

RYAN & JUNE LOSEKE - *Site Co-Chair*

Ryan and June are raising the sixth generation of Losekes on their family farm north of Columbus. Along with growing corn, soybeans and alfalfa, they took an opportunity to purchase and expand a nearby feedyard after college. A veterinary practice and volunteering in local 4-H, FFA and church organizations fills their days. Ryan is on the Lakeview School Board and the Nebraska Cattlemen Foundation Board. June represents District 7 of the Nebraska Beef Council. They have also served as board members of Nebraska Cattlemen and the Nebraska Veterinary Medical Association. Heartfelt gratitude for progressive oncologists and cancer researchers became more personal after June lost both her Dad and a brother to cancer, and currently Ryan's mom and one of June's sisters are undergoing cancer treatment.

DR. KEN COWAN

M.D., PH.D.

Q & A

Dr. Cowan is the Director and Physician in Chief at the Fred & Pamela Buffett Cancer Center. He also serves as the Director of the Eppley Institute for Research in Cancer and the Fred & Pamela Buffett Presidential Chair.

WHAT IS YOUR RELATIONSHIP WITH THE CATTLEMEN'S BALL OF NEBRASKA?

The Cattlemen's Ball was started in 1998 as a fundraiser for the Cancer Center, which was then known as the Eppley Cancer Center and the name changed to the Fred & Pamela Buffett Cancer Center in 2015. The Cattlemen's Ball has provided tremendous support for cancer research leading to advances in cancer treatment and prevention in Nebraska.

HOW MANY CATTLEMEN'S BALLS HAVE YOU ATTENDED?

I have attended every Cattlemen's Ball except the one in 1998. I arrived as the Director of the Eppley Cancer Center on August 1, 1999, but my entire family – (my wife Dr. Alison Freifeld, Director of Infectious Disease for Oncology at UNMC and my two daughters who were 9 and 12 at the time), flew out from Maryland to attend our first Cattlemen's Ball in June 1999 hosted by Dr. Joe and Diane Jeffery in Lexington, NE (two months before we moved to Nebraska).

WHICH BALL STICKS OUT THE MOST, AND WHY?

Every Cattlemen's Ball has been great, all held on beautiful ranches all across Nebraska. I always enjoy seeing the beauty of the sandhills and the Wild Cat Canyons in Banner County are very special.

Also, the commitment of the host families to host the Ball: the Holzfasters getting Union Pacific to run a train out to the Ball at Paxton, and there were torrential rain and hail storms at a few of the Cattlemen's Balls, but the events and the shows still went on. It's also great to see all the host families and volunteers from previous Cattlemen's Balls coming to the event each year.

WHAT IS YOUR FAVORITE CUT OF BEEF?

All beef is great – but I especially enjoy a ribeye.

WHAT'S YOUR FAVORITE CATTLEMEN'S BALL MEMORY?

One memory that stands out was early on, when a family donated two horses to the auction at a Cattlemen's Ball. The two horses had belonged to their daughter who had recently died of melanoma. The person who had the highest bid (\$25,000) just told the auctioneer to rebid the horses. This went on two more times before the horses were finally sold. I was subsequently told that several ranchers had worked together to make sure that amount raised by the sale of the two horses would honor the family, and that the horses could then go to deserving families with young children. This was one of many memories that I have from the Cattlemen's Ball highlighting the generosity of Nebraskans.

WHAT DO YOU SEE AS THE NEXT/LATEST BREAKTHROUGH IN CANCER RESEARCH AT THE BUFFETT CANCER CENTER?

The future of cancer treatment and prevention is Precision Medicine: using genomic data (DNA sequencing) from each person's cancer to develop a specific treatment plan specially designed to treat their cancer, and the advances of immunotherapy to turn on a patient's immune system to target the genetic changes in their cancer.

The next big project is advancing Precision Medicine and immunotherapy for cancer treatment and advancing access to clinical trials across the state.

WHAT HAVE YOU LEARNED FROM OR SURPRISED YOU MOST ABOUT CATTLEMEN'S BALL VOLUNTEERS?

How many volunteers it takes to put on a Cattlemen's Ball, and how much time they devotes each year to its success.

PETE RICKETTS

GOVERNOR

Q & A

WHY IS THE BALL IMPORTANT AND WHAT MAKES IT UNIQUE?

The Cattlemen's Ball not only does important charitable work to fight cancer, it's a statewide effort that brings together Nebraskans from all across the state. It provides a great opportunity for fellowship and helps build camaraderie within our cattle industry. The event moves around the state so that Nebraskans can enjoy the natural beauty of sites throughout the Cornhusker State.

HOW MANY YEARS HAVE YOU BEEN COMING TO THE CATTLEMEN'S BALL?

I started attending the Cattlemen's Ball 15 years ago. My first time attending was the 2006 Cattlemen's Ball at Riverside Park in Milford.

WHAT IS YOUR FAVORITE CUT OF BEEF?
I'm a ribeye guy.

WHAT IS YOUR FAVORITE MEMORY OR SOMETHING THAT STANDS OUT TO YOU FROM PAST BALLS?

In 2014, Kenny and Misty Stauffer hosted at Hoot Owl Ranch. The setting there in Banner County was beautiful with the buttes lit up at night.

WHAT SURPRISES YOU MOST ABOUT ATTENDING THE CATTLEMEN'S BALL?

How fast the food line moves! Each year, the organization of the event is very impressive.

Tracy BYRD

JUNE 4

FRIDAY | 8:30PM · 10:30PM

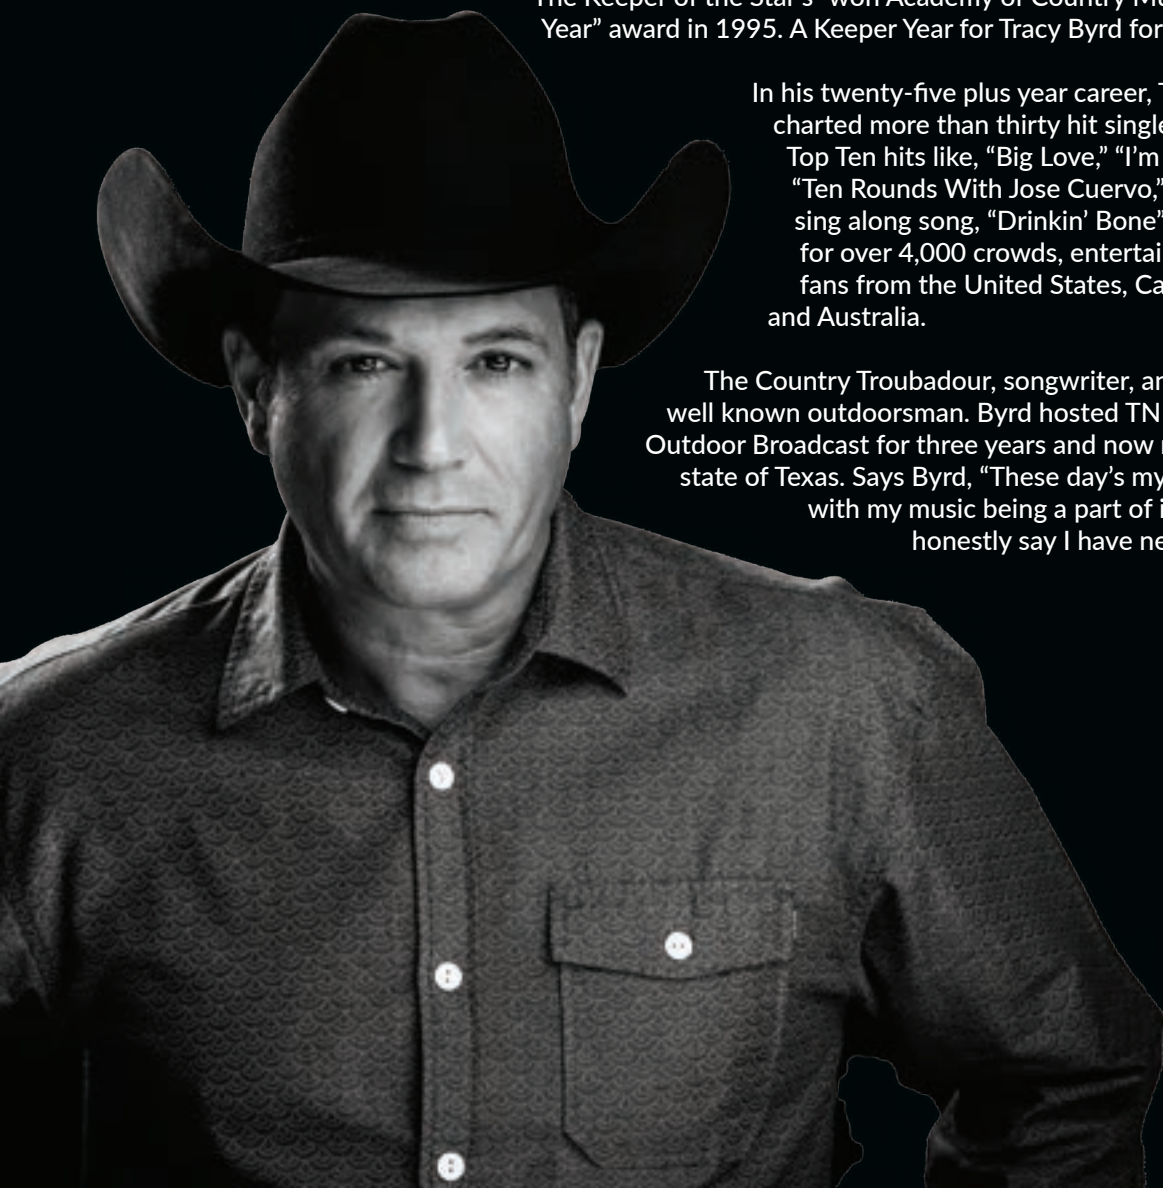

Tracy Byrd became a household name on the Country Music Scene in 1993 when his third single, called "Holdin' Heaven", off of his MCA Records, self-titled debut album, hit #1 on the Billboard Country Charts. Byrd's second project, "No Ordinary Man", kept building on the momentum the first album created, the first radio single from it called "Lifestyle's of the Not so Rich and Famous" reached #4, followed by another top five hit, "The First Step", then with the release of the smash, chart topping hit "Watermelon Crawl" the second album crossed the half million sales mark and certified Gold.

The release of the 4th and last single on this project moved Byrd to the top of both the Billboard Album and Singles charts. The song was called "The Keeper of the Star's" and it shot to #1 on the singles charts and pushed the album to Double Platinum Status, which certifies sales of over 2 Million Copies.

"The Keeper of the Star's" won Academy of Country Music's "Song of the Year" award in 1995. A Keeper Year for Tracy Byrd for sure.

In his twenty-five plus year career, Tracy Byrd has charted more than thirty hit singles, including eleven Top Ten hits like, "Big Love," "I'm From the Country," "Ten Rounds With Jose Cuervo," and a crowd favorite sing along song, "Drinkin' Bone". He has performed for over 4,000 crowds, entertaining country music fans from the United States, Canada, Mexico, Europe, and Australia.

The Country Troubadour, songwriter, and hitmaker, is also a well known outdoorsman. Byrd hosted TNN Outdoors Weekend Outdoor Broadcast for three years and now resides in his home state of Texas. Says Byrd, "These day's my life has great balance, with my music being a part of it, not all of it. I can honestly say I have never enjoyed it more!"

RAWHIDE RUN

LAKE NORTH

SATURDAY | JUNE 5

7:00AM REGISTRATION AND 8:00AM SHOTGUN START

Runners understand the reward of hard work, and reasons why people participate in a race. Some people like the challenge of the event. Some like the euphoric feeling of accomplishment finishing a race brings. Some enjoy the camaraderie that comes with running with family and friends and the possibility of making new friends. Many runners simply enjoy supporting a cause.

Regardless of your reason for running, we ask you to join us on Saturday, June 5 starting at 8:00 AM at Lake North (northeast side near the boat ramp) for the 2021 Cattlemen's Ball of Nebraska Rawhide Run.

You have the option to participate in a 2.5 mile "Fun Run" or a 7- mile run that will follow an established trail system around Lake North. The course is flat and will allow participants to enjoy the natural sights and sounds the Loup Power District Parks have to offer. Best of all, your \$30 entry fee will go to support the mission of the Cattlemen's Ball, funding cancer research and finding a cure!

On this day, we'll honor and celebrate those who are traveling or have traveled their own cancer journey. You will have an opportunity to share a name of someone affected by cancer, giving you and others a reason to finish the race. After the races conclude, those in attendance will be able to enjoy breakfast pizza at a fun post-race event. A free-will donation is encouraged.

STYLE SHOW

SATURDAY | JUNE 5 1:30PM - 2:30PM · SALOON TENT

MASTER OF CEREMONIES:

Riley Scott, Program Director, KLIR 101

In true Cattlemen's Ball spirit, we honor those who have traveled the cancer journey. The 25 women, six men, and two youth who will walk the runway and showcase the latest fashion trends are all cancer survivors with their own unique story. We are excited to feature clothing from 15 Nebraska vendors at this year's style show as we honor the models' courageous spirit. We celebrate those on the stage, in the audience, and those in our hearts who have been on a cancer journey.

Thank you to our vendors who supplied the clothing for the models. Thank you also to Mel Jensen for sharing her hair and makeup talents.

SERENITY GARDEN

FRIDAY | 4:00PM - 9:00PM · SATURDAY 9:00AM - 9:00PM

We invite you to take a few moments to step away from the hustle of the Cattlemen's Ball and follow the tranquil path of vintage doors, honorary planters, and park benches found in the Serenity Garden, a place of peace and repose. Imagine yourself stepping through a doorway to heaven where you will hear calming waters of the custom-made pond and feel the comforting presence of angels - those on earth and those above. Dedicated to the true meaning of the weekend, this beautiful, wooded area will provide you a place for quiet reflection.

Remembrance Service

Saturday, June 5 - 3:15 PM

Join us Saturday at 3:15 p.m. at the Serenity Garden for a Remembrance Service led by Pastor Brad Birtell of St. John's Lutheran Church. Immediately following the service, guests who have purchased butterflies will release them in unison. The emergence of a butterfly is a sign of the renewal of life and its flight symbolizes freedom and happiness.

As a reminder, guests who have pre-purchased butterflies are asked to stop at the General Store prior to 2:30 to collect their ticket(s) for the butterflies.

Tickets will then be exchanged for butterflies at the butterfly stations immediately after the Remembrance Service at the Serenity Garden prior to the release.

PSYCHIATRY CLINIC
— Columbus Community Hospital —

HEALTH & WELLNESS TENT

vendors include:

Columbus Community Hospital, occupational health services – OHS staff will be available to provide screenings including bone mineral density, blood pressure, vision and body composition. OHS staff also will provide paraffin wax hand dips to all participants.

Columbus Community Hospital, certified diabetes educators – CCH diabetes educators will be available to provide fingerstick glucose screenings and Type 2 diabetes assessment. A fast of 8-10 hours is recommended for optimal results.

Columbus Community Hospital, Columbus Psychiatry Clinic – Columbus Psychiatry Clinic staff will be available to provide private and confidential depression screenings via written questionnaire.

Columbus Community Hospital, sleep lab – Sleep apnea screenings will be performed via written questionnaire.

UNMC Dermatology – Dermatology staff including physicians and medical students will be available to provide sunscreen, UV bracelets and health education regarding skin cancer.

Nebraska AgrAbility – Staff will be available to provide chapstick, sunscreen and other support/resource materials for farmers and ranchers who are impacted by health conditions or disabilities.

Nebraska Kidney Association – Staff will be available to perform a health screening for people who are at risk for kidney disease – area residents with diabetes, high blood pressure or a family history of kidney disease. The screening is conducted via non-fasting fingerstick blood specimen.

giveaways:

- All participants who complete a participant punch card will be eligible to receive a prize valued at \$10 from Columbus Community Hospital.
- All participants are eligible to enter a drawing for a basket of Nebraska/local food and gift items, along with a Visa gift card (a \$250 value).

HISTORY TENT

FRIDAY | JUNE 4 4:00PM - 7:00PM

SATURDAY | JUNE 5 9:00AM - 5:00PM

The 2021 History Tent highlights the power, progress and production of local pioneers in agriculture, the beef industry, and electricity development. Enjoy several displays of the Columbus area's heroes, heritage, and history.

PRESENTERS:

sponsored by: **Thrive** Cancer Rehabilitation Care

BATTLE OF VILLASUR - TOM BRYAN

The Columbus area and Platte County holds a rich Native American History. Local history enthusiast Tom Bryan will highlight the 300th Anniversary of the Historic Battle of Villasur's expedition. Dozens, if not hundreds, of Pawnee and Otoe Indians attacked Spanish soldiers on a site west of modern-day Columbus.

GENOA INDIAN SCHOOL - NANCY AND JERRY CARLSON

Genoa residents, Nancy and Jerry Carlson, share a passion for preserving the history of the Genoa Indian Industrial School. Nancy and Jerry will share their knowledge of the former government and church-sponsored institution where children and young adults from more than 40 tribal nations were students.

VCC BOYS: VETERANS CONSERVATION CORPS OF PLATTE COUNTY - RANDY PERAULT

During the Great Depression and Dust Bowl, a camp was established in Platte County to provide employment for military veterans. The focus of their work was a variety of soil conservation methods to benefit area farmers. Join Columbus resident Randy Perault in learning about the history of the Camp, the men who lived and worked there, and the soil conservation work they performed. This presentation will include pictures of the original Camp, what it looks today, and different projects they worked on around Platte County.

BUFFALO BILL CODY'S WILD WEST SHOW - TOM "BUFFALO TOM" MARTENS

Did you know that the very first rehearsal for Buffalo Bill Cody's Wild West Show happened in Columbus, Nebraska? Come find out where that rehearsal took place and how Buffalo Tom Martens discovered this tidbit, with the help of Keith Bryan. Tom will display aerial photos, maps, and memorabilia of Buffalo Bill Cody.

LOUP POWER DISTRICT

Nebraska's first public power district is located in Columbus. Loup Power District will explain how, in the midst of the Great Depression, leaders from Columbus had a vision for harnessing the Loup River into a power canal. The story of the canal and hydroelectric plant construction, built more than 85 years ago, will be on display. Not only was Loup Power District the beginning of public power in Nebraska, it can also be considered the grandfather of Nebraska Public Power District and Cornhusker Public Power.

CENTER PIVOT IRRIGATION

In 1949, Columbus native, Frank Zybach, applied for a patent on his "Zybach Self-Propelled Sprinkling Apparatus." A few years later, Paul Zimmerer and his two sons set up a farm equipment repair business in Lindsay, Nebraska. The two operations evolved into what is now known as Lindsay Manufacturing which will proudly display the evolution of irrigation in the Columbus area.

BEHLEN MANUFACTURING

Now a global leader in steel fabrication, Behlen Manufacturing had a humble beginning in the Columbus garage of Walter Behlen in 1936. The first products made were steel toe caps for work shoes and clamps for wooden egg crates. The company quickly gained a reputation for innovative, quality farm products, and in 1950, Behlen broadened the company's focus and expanded its production, offering grain bins and dryers, as well as a self-framing building system known as S-Span. In 1969, Behlen was sold to the Wickes Corporation, and in 1984, a management buy-out returned the company to the local ownership that is still in place today, more than 80 years later.

nebraska BUSH PULLERS

2 SESSIONS SATURDAY

SESSION 1 • 10:00AM - 11:30PM
SESSION 2 • 1:30PM - 3:00PM

Nebraska Bush Pullers was started in 1981. It continues to grow with over 100 Nebraska members from all over the Midwest. From the awesome spectacle of the multi-engine modified tractors to the wild and crazy unlimited super stock tractors, we have something for everyone.

The goal of tractor pulling is to determine the strongest machine and the best driver. Different than every other motorsport in the world, it is not about the speed, but distance pulled. The pulling track is a minimum of 30 feet wide by 320 feet long. Tractor pulling is a competitive motor sport in which modified farm tractors, modified tractors or trucks drag a metal sled along a prescribed course.

The sled contains a box filled with weight that is mechanically winched forward as the sled progresses along the course. Pulling this ever-increasing load eventually causes the vehicle to lose forward momentum and torque, although a rare few might indeed reach the end of the course, known as a "full pull." The distance from start to finish is measured in thousandths of an inch and the tractor that pulls the sled the farthest distance is declared the winner. If more than one competitor reaches the full pull mark, a pull-off is held to determine a winner.

AFTER DINNER PRAYER BY CHIEF UNITED STATES DISTRICT JUDGE: *John M. Gerrard*

EMCEES: *Gary Sadlemyer*

A Nebraska radio legend and Hall Of Famer, Gary Sadlemyer has been a fixture on NewsRadio 1110 KFAB for 44 years, hosting the first live talk show. Gary's work on KFAB's Husker football broadcasts from 1980 to 1995 on the 52-station Nebraska Sports Network made him a household name to Big Red fans across the country.

Today, Gary is the ringleader of the wildly popular "Gary Sadlemyer & KFAB's Morning News". He's joined every weekday morning by Jim Rose, Lucy Chapman and, as Gary likes to say, "a cast of dozens of the usual suspects". A Minnesota native, Gary is widowed and is the father of four (grandfather of seven, ask him, he'll show you pictures!). Gary lives in the Elkhorn area and loves golf, restaurants, movies, bourbon, books and his lawn, but number one on his list is the joy of spending time with his family and friends.

JUNE 5
SATURDAY | 9:00PM - 10:30PM

With two No. 1 singles, 7 Top 10 singles and multiple awards and nominations, plus performances on some of the biggest stages in the world including performing on one of the biggest and most talked about tours in country music-Carrie Underwood's The Storyteller Tour, Easton Corbin continues to make a lasting impression and leaving his footprint on country music. The Florida native is lauded for his unapologetic and unwavering traditional country sound, authentic lyrics and mastery of understatement. An accomplished songwriter in his own right, Corbin has always been just as talented on picking great songs from some of Nashville's best songwriters.

Corbin has built a catalog of signature hits that include some of the most played and well-known songs in country music including "A Little More Country Than That," "Roll With It," "Lovin' You Is Fun" and "Baby Be My Love Song" from his No. 1 debuting album About To Get Real. His emotional "Are You With Me" was the most added song at radio the day it was released. His last single "A Girl Like You" landed at No. 3 on the country singles chart and garnered rave reviews. Taste of Country picked it as a Critics Pick saying, "It takes a fraction of a second to know Easton Corbin is on to something different with "A Girl Like You."

His new single, "Raising Humans," written by Michael White, is an emotional song told uniquely from the dog's perspective about the complexities and the unconditional love and support of helping their human through life's journey.

The avid outdoorsman and road warrior has been holed up, hard at work in the studio working on new music to be released in 2020.

SideSTEP

SATURDAY EVENING ENTERTAINMENT
10:45PM - 12:15PM · SALOON TENT

Let's turn back the clock to 1996 when SideStep was formed. Country line dancing and BIG hair was in. Nebraska summer nights were ripe for cruisin' and weekends were made for street dances.

Who would believe that a four-piece band consisting of a butcher, a hairstylist, an animal trainer and a radiology tech would still be playing in 2021? And they sound even better! These four musicians love to entertain and have fun with anyone who comes out to see them.

SideStep is a country/rock band based out of Northeast Nebraska that has played all over Nebraska, South Dakota, Colorado and Iowa. Members include Cory Delp (lead guitar, vocals), Ann Cattau (vocals), Randee Falter (drums), and Chris Robbins (bass, vocals). They play a mix of modern and classic country as well as many of your classic rock favorites. They've opened for some of country's biggest names including: Joe Nichols, John Michael Montgomery, Tracy Byrd, Neal McCoy, Sawyer Brown, Joe Diffie, Clay Walker, Gary Allen, Tracy Lawrence, Terri Clark, Sara Evans, Montgomery Gentry, Jo Dee Messina, Toby Keith, Martina McBride, Eric Church, Florida Georgia Line and more.

It is a privilege to have SideStep part of this charitable effort and share the stage with Tracy Byrd and Easton Corbin, collectively providing some of the best entertainment for the 2021 Cattlemen's Ball of Nebraska!

THANK YOU FOR YOUR IN-KIND DONATIONS

CALF FOR A CURE

The "Calf-For-A-Cure" program invites and encourages any and all Nebraskans, regardless of their involvement in the beef industry, to take part in fundraising efforts exclusively supporting cancer research. A donation of \$1,000 buys a feeder calf, this will be combined with other donors to purchase a pen(s) of feeder cattle. A donation of \$600 pays to feed that feeder calf. Because the group values the investments being made in this program, the cattle are price-protected and insured. Donors who purchased a calf are recognized in the official Cattlemen's Ball of Nebraska program and receive a special lanyard to wear during the 2021 Ball event.

The 2020-2021 Cattlemen's Ball Calf-For-A-Cure chairs were Jim Klug and Justin Sindelar. In September of 2019, 198 head of cattle were purchased from Tobey Watt of Abilene, KS and placed on feed at Cedar Hill Cattle Co near Howells until they were shipped for harvest in April of 2020. With the volatility of the cattle market, the committee decided to forgo purchasing cattle in the fall of 2020 and collected donations instead. Because of the generosity of our donors, the Calf-For-A-Cure program was able to raise \$104,452.50 for the 2021 Cattlemen's Ball to fund cancer research! Thank you to all of our Calf-For-A-Cure Sponsors, Klug Trucking, and the Sindelar family of Cedar Hill Cattle Co!

VOLUNTEER TENT

THANK YOU FOR TAKING CARE OF OUR VOLUNTEERS!

On behalf of the 2021 Cattlemen's Ball of Nebraska host family, board of directors, and committee chairs, we want to extend our sincere thanks to those who provided food, drink, and Asgro for the t-shirts to the hundreds of volunteers who helped make this event a success. There were many businesses who provided fantastic meals for our volunteers from the first day of set up to the last day of cleaning up for the Cattlemen's Ball.
